

Rehabilitation Fee Schedule

\$115.50 Rehabilitation Evaluation

Typically 60-90 minutes. The therapist will consider all of the patient's impairments whether they are disease or age based and will determine a comprehensive assessment and rehabilitation plan for each patient. Includes assessment of gait, muscle mass, neurological function and range of motion; as well as an introduction to recommended exercises and therapeutic modalities (E-stim, treadmill, etc.).

\$52.50 Rehabilitation Re-check

Typically 30 minutes. Reassessment of gait, muscle mass, neurological function and range of motion.

Save with Prepaid Packages:

\$57.75 Rehabilitation Session 30 min.

\$184.80 Four 30 min. sessions

\$78.75 Rehabilitation Session 60 min.

\$252.00 Four 60 min. sessions

Includes full access to all therapeutic modalities, development of a customized home exercise plan, specialized exercise regimen and assessment of gait, muscle mass, neurological function and range of motion.

\$31.50 Exercise Therapy Session 30 min.

\$147.00 Five 30 min. sessions

Includes massage, passive range of motion, hydrotherapy session in our pool or underwater treadmill, and assessment of gait, muscle mass, neurological function and range of motion. Best for rehabilitation "graduates" who wish to stay active, arthritic pets that have mobility difficulties, or canine athletes who need strength training and conditioning.

\$36.75 Veterinary Orthopedic Manipulation *(By prescription only through veterinary referral)*

\$36.75 Low Level Laser Therapy *(By prescription only through veterinary referral)*

\$31.50 Massage Therapy Session 30 min.

Relaxing massage utilizing several techniques to relieve tension, promote circulation, and stimulate the body's senses.

\$31.50 Home Therapy Plan

A customized exercise routine developed in conjunction with the rehabilitation evaluation. Best for pet owners who are unable to come in for rehabilitation, but are committed to performing exercises at home for their pet's benefit.

\$10.50 Outpatient Housing Fee

For our clients who require convenient drop-off/pick-up times (same day) we have basic accommodations. Day boarding with additional activities is also available.

\$26.75 Inpatient Housing Fee (per day)

Hospitalization is available for patients that require special nursing attention and intensive physiotherapy.

Wet Paws Fitness Club

\$36.75 Five 20 min. sessions

Utilize our pool or underwater treadmill just for fun, or to keep your pet fit and trim. Pet must be deemed healthy for exercise by veterinarian before participating.
